Stroke Play Summary:

The open division was the largest total field that NDGA has had in the last decade. The winds followed the North Dakota Golf Association after two blistering days at Hawktree Golf Course to Grand Forks Country Club. On the first day of the tournament winds were consistently blowing around 25 mph with gusts of wind reaching up to 35 mph, 74 guys from the open division had to play a total of 36 holes while the Mid-Am and the Seniors only had to play 18 holes. The Second day of the tournament was even more brutal with winds constantly blowing 31 mph with gusts of wind up to 45 mph making even harder to keep the ball in the fairway. The windy conditions on both days made it difficult to drive the ball in the fairway and was a challenge to hold the fast and firm greens. The average score for the open division was an 80.19. Justin Redding was a Co-leader after round one shooting 71. He led after day one shooting 71,73-144 total. He continued his great play shooting a final round 74 which gave him medalist honors. Throughout the course of three rounds Justin made 10 birdies and only 1 double, where the rest of the field saw much higher numbers. Justin played the two hardest holes two over par which were holes fifteen and nine.

The 2020 Stroke play was also a family event for a few households such as the Skarperud's, Schafer's, and the Bryan's. Chad Skarperud finished in 2nd just in front of his nephew Carson Skarperud who took 3rd. Although Carson managed to hold off his uncle Matt Skarperud in the net championship who finished 4th overall.

In the Mid-Am field Shane Hannegrefs shot 163 in Gross division and was the medalist. **Shane beat Kyle Knutson in a Playoff.** Meanwhile, in the Net division Kyle Knutson was the medalist shooting a two-day total of 151. Reed Argent took second place with a two-day total of 158. Second place, Gross division was captured by David Dusek with a 164 during the two days.

In the Senior field Randy Westby shot a 153 in the GROSS division crowning him the medalist. In the NET division Scott Anderson was the medalist with a total of 151 after two days. Perry Piatz took second with a 156 in the Gross division. Richard Tentis shot a 157 and earned himself second in the NET division. In the Gross division Paul Benson took third with a 159. In the NET division Gregg Schaefer shot a 157 and placed third.

Match Play Summary:

The senior qualifying rounds for the Hogan Division, Palmer division, and the Nicklaus Division started Thursday afternoon at the CrossRoads Golf Course in Carrington North Dakota. The results of the qualifying rounds determined who was going to be playing who. The number 1 seed in each division were the defending champions from the previous year, the Hogan defending champ was Darrell Burkland, Palmer defending champ was Doyle Radke, and the Nicklaus defending champ was Keith Duchscher. It was 80 degrees outside with the wind blowing about 20 mph making it a beautiful afternoon for golf.

Friday at 7:45 the qualifying rounds for the Open Division and the Mid-Am Division started, the number one seed for the Mid-Am was the defending champ Perry Andrisen, and the Open Divisions defending champ was Justin Redding giving him the number one seed. After all the open and Mid-Am players teed off the Hogan, Palmer and Nicklaus players teed off to start their divisions match play. After the Open finished the qualifying rounds all the players were repaired and sent out again to play another 18 holes for a total of 36 holes in one day. The weather on Friday was really humid making it feel like it was 100 degrees with 20 mph winds all day. The Mid-Am was supposed to play another 18 holes after their qualifying rounds but the first match was pushed back to Saturday due to a huge thunderstorm that hit at 6:00 with hail and heavy rain with 3.5 inches of rain at the golf course and parts west of the golf course getting upwards of 6 inches of rain cause huge problems for the course on Saturday.

Saturday morning at 7:30 groups from the open division had to go back out and finish their match from Friday since they got cut short due to the thunderstorm. The thunderstorm from Friday caused the front 9 of the CrossRoads Golf Course to flood making it impossible to play the front 9. This only allowed the first match of the Open, Mid-Am, and the Nicklaus to be 9 holes and the second match to be 18 holes by playing the back 9 twice. The semifinalists for the Open Championship were Adam Vanraden vs. Colton Murphy and Mitch Fifer vs. Tim Fiechtner. The Mid-Am Championship finalists were Perry Andrisen vs. Jason Schulz, and the Nicklaus Championship finalists were Jeff Dietz vs. Randy Peterson, the Palmer finalists were Doyle Radke vs. Guy Otteson, and the Hogan finalists were Graydon Ash vs. Terry Burud. The weather was fair with it being 77 degrees and a constant wind of 20 mph, and another small thunderstorm with heavy rain later in the evening.

Sunday morning at 7:30 the Open Division started the day on the back 9 because the front 9 was still flooded. After the open finished their semifinal rounds Colton Murphy and Mitch Fifer were the finalists then they went back out to see who this year's Champion would be. The Mid-Am Champion was Perry Andrisen for the third year in a row, The Nicklaus Champion was Jeff Dietz after beating Randy Peterson, the Palmer Championship was secured once again by Doyle Radke, the Hogan Champion was Terry Burud after beating Graydon Ash. After the first 9 for the Open Division finalists Colton Murphy was up 3 to 0 until hole 13 when Mitch Fifer got up and down for birdie making it 3 to 1 giving Mitch a chance to come back and tie it. However, the score remained the same with Colton up 3 to 1 until the 17th hole where Colton birdied, and Mitch pared making Colton Murphy the Champion of the Open Division. The winner of the Open Consolation match was Jacob Skarperud and the winner of the Nicklaus Consolation match was Brian Duchscherer at his home course. The weather for most of the day remained cool at 62 degrees until later in the afternoon getting up to 72 degrees, and constant winds of 20 mph for the whole week.
